

## IV Cannulation Course is great value!

Ours courses are comprehensive!

The course cost includes a self-directed learning package, individual training equipment, lecture costs and competency assessment.

### Awards

On successful completion of the IV Cannulation Course you will receive a certificate detailing your successful completion of the course.

### Disclaimer

HealthCare Training Service and our specialist presenters/facilitators disclaim all & any liability for the outcomes of any actions taken on the basis of any information presented at these courses, and are not accountable for any error in or omission of information presented. Whilst we make every effort to ensure the programs run as planned, we take no responsibility for any program having to be cancelled for any reason.

### Important Note

Due to the logistics of arranging presenters and allocating resources, we regret that we **cannot** accept any registrations within 10 days of the course date. Numbers are strictly limited and due to the popularity of our education programs we advise you to **register early**.

We must receive 7 days notification of cancellation of attendance at any course, a \$50 cancellation fee will apply. Cancellations will not be accepted within 7 days of a scheduled course. **If you cancel your attendance within 7 days of scheduled course, or you fail to attend your course, your registration fee will be forfeited.**

## Venue Details

### Venue for all Courses:

**Brisbane Business Centre**  
17 Gould Road  
Herston Qld 4006

The Brisbane Business Centre is located 1.3km from the Royal Brisbane & Women's Hospital. There is **free** street parking available. Wilston Railway Station is located 1.1km from the centre. The nearest bus stop is on Butterfield Street at Aberleigh Road, stop 11 which is 5 mins walk to the centre – take buses with 360, 361, 363 & 364 route codes.

An alternative bus stop is the Herston bus station. Further street parking is available on Noble Street and Granville Street across the creek next to Gould Road park, which is accessed from Newmarket Road. It is then a few minutes walk through the park to the centre.

**Cancellation Policy:** Due to the popularity of our programs, your registration will only be confirmed upon receipt of a completed application form and full payment, subject to availability. We must receive seven (7) days notification of cancellation of your attendance at any course. Your registration fee will be refunded to you less a \$50 cancellation fee to cover administration & processing costs. Upon seven (7) days notification of cancellation of attendance, your registration may be transferred, with no additional cost, to a future HealthCare Training Service course within the next four (4) months, if registration numbers permit. Further, you may only transfer your registration in any program once.

**Note:** In the unlikely event that the course is cancelled, your registration fee will be returned in full. As many programs fill up quickly, participants are

# IV Cannulation Course

Semesters 1 & 2  
2022

*...helping Health Care Professionals to help others!*

## IV Cannulation Course

This practical course will provide participants with valuable skills and knowledge to prepare them for undertaking IV Cannulation competence in their workplace. At the completion of the course, participants will have their cannulation competency individually assessed on a cannulation 'model' arm.

Come and learn in a supportive environment!

### Course Content

- Review anatomy & physiology of veins/arteries
- Client preparation & education
- IV cannulation site selection
- Special precautions & safety considerations
- Cannula selection
- Safe use of local anaesthetic & infection control issues
- IV cannulation procedure
- Complications related to the procedure &/or site
- Competency assessment on a simulation 'model' arm
- Self Directed Learning Package (sent prior to the course)

### Feedback from previous courses:

"This is an excellent course—really well run."

"I found everything very useful and helpful. The Facilitator was very helpful & approachable."

"Hands-on, lots of practice."

"All aspects were most useful, as I had little background in cannulation to begin with."

"I enjoyed all of it. The Facilitator is a very effective teacher."

"The fake arms were very effective as was the small group size. We were given plenty of time to gain confidence with cannulation."

## Professional Development Data

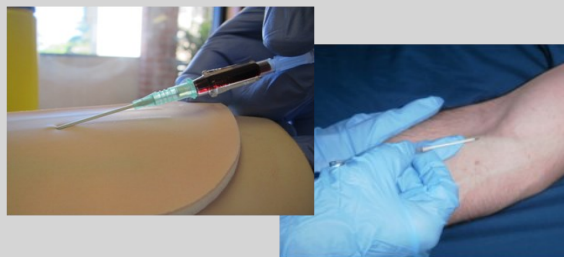

### 6 CPD hours

This course and Self-directed Learning Package is endorsed by the **Australian College of Nursing (ACN)** according to the Continuing Professional Development Endorsed Course Standards. It has been allocated **6 Continuing Professional Development (CPD) hours** according to the Nursing and Midwifery Board of Australia – Continuing Professional Development Standard.

As such, this course provides you with **6 CPD hours** as part of your planned learning activities to maintain, improve and broaden your knowledge, expertise and competence (Nursing and Midwifery Board of Australia, March 2010).
